

Free like a bee

*I'm alone
Sitting by the phone
Should I call
Or stare at the wall
Is this going to last?
Or will it pass?
Should I talk
Or take a walk
I wish to travel
With my novel
I can do it in my mind
Where I'll find
The best destination
Without frustration
Time passes without stress
And less mess
My house is clean
And I ate all the ice cream
Soon I'll be free
Just like a bee*
